Founded in 1883, the Women's Committee of the Philadelphia Museum of Art is one of the oldest organizations of women in support of a cultural institution in the country. Over the years, the Women's Committee has raised millions of dollars, and their efforts have influenced every gallery and program in the Museum. Funds are raised through the Philadelphia Museum of Art Craft Show and Small Indulgences, a boutique show held annually; and gala openings of various exhibitions at the Philadelphia Museum of Art.

The official registration and financial information of the Women's Committee of the Philadelphia Museum of Art may be obtained from the Pennsylvania Department of State by calling toll free, within Pennsylvania, 1-800-732-0999. Registration does not imply endorsement.
